

**FOR IMMEDIATE RELEASE:**

July 12, 2017

**CityBus requests feedback from the public for potential route changes to the Connector at two public meetings**

**Lafayette, Ind.:** CityBus is proposing potential upcoming changes to the Connector route. Passengers who wish to provide feedback on the changes should attend. “When the decision was made to eliminate the Bronze Loop, it left some of our riders stranded. Altering the Connector route would be the most economical way to serve them,” said Marty Sennett, General Manager of CityBus.

Route details will be presented at both of the public hearings. The community is invited to share feedback:

- Wednesday, July 19, 10:00 - 11:00 a.m. and 4:00 – 5:00 p.m.  
Both meetings will be held in the lobby of the CityBus Center, the main transfer terminal for all routes:  
316 N. 3<sup>rd</sup> Street Lafayette, IN 47901

For those who would like to provide input but are unable to attend a meeting, a survey is available at <http://bit.ly/cnectr-srvy> through Friday, July 21 at noon. Feedback will also be accepted at the customer service window at CityBus Center, 316 N. 3<sup>rd</sup> St. in Lafayette. CityBus Center is open Monday-Friday 7 a.m. through 7 p.m. and Saturday 10 a.m. through 6 p.m.

*CityBus, the operating name for Greater Lafayette Public Transportation Corporation, is a municipal corporation established in 1971. CityBus provides over 5 million rides annually for passengers in the Greater Lafayette area, including ADA paratransit services for people with disabilities.*
