## **CITYBUS HIRING BUS OPERATORS, MECHANICS, MAINTENANCE UTILITY**

LAFAYETTE, IN, April 14 – From now through July 2, 2021, CityBus is accepting applications for mechanics and maintenance utility positions, as well as full-time and part-time bus drivers.

### **Mechanics & Maintenance Utility**

Mechanics will be responsible for preventative maintenance for gasoline and diesel engines, automatic transmission and driveline, hydraulic and air disc brake systems, and more.

Maintenance utility employees will be responsible for daily fluid and fuel checks, pickup and delivery for maintenance parts, light building maintenance and cleaning, and other duties.

Candidates for both positions must be available to work nights and/or weekends, including second shift. The ideal candidates have excellent attention to detail, good mechanical aptitude, and a willingness to learn on the job.

### **Bus Operators**

Candidates must be willing to work flexible schedules, be safety-minded, and enjoy working with the public.

Full-time positions are guaranteed 40 hours per week and a comprehensive benefits package, and these drivers are eligible for overtime pay for additional hours worked. Part-time positions work up to 30 hours per week.

CityBus provides a paid training program, including Commercial Driver's License (CDL) testing preparation, for full-time and part-time bus operators. They'll also receive uniforms and be eligible for fare-free bus passes for themselves and members of their household.
